## 2020 STREET RECONSTRUCTION PROJECT

**TO:** Residents on Lakeview Avenue  
**FROM:** Jay Stejskal, Engineering Technician III  
**DATE:** May 28, 2020  
**SUBJECT:** **Lakeview Avenue Closed**  
**City Project No.: 20-01**

---

On **Friday, May 29th, Lakeview Avenue (from Old White Bear Avenue to South Shore Boulevard)** shall be closed due to pavement removal and continued earthwork. As will be the case during the entire construction season, work schedules are dependent upon weather and other factors. Please have all vehicles that are needed for the day out of your driveway and garage by **7 AM**.

In order to complete the construction project in the most efficient manner, it is important that the Contractor have as few obstructions as possible. Please **DO NOT park your vehicles on Lakeview Avenue during working hours (7AM to 7PM or until work ceases for the day)**. If a vehicle is on the street in the construction zone during working hours and is impeding the construction, the Engineering Department will take further action and tow the vehicle.

Also, please **DO NOT walk through the active construction site during working hours**. The Contractor is trying to move as quickly as possible through the construction process and any non-work related pedestrian traffic can cause delays and safety issues.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
