## 2018 STREET RECONSTRUCTION PROJECT

**TO:** Residents in Project Area 18-01  
**FROM:** Nate Christensen, Engineering Technician III  
**DATE:** May 22, 2018  
**SUBJECT:** **Water Shut-Off to begin Thursday, May 24th**  
**City Project Nos.: 18-01**

---

On Thursday, May 24, 2018 (weather permitting), the City will be installing a new watermain on Johnson Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on Johnson Avenue, 8<sup>th</sup> Street, and the alleys east of Johnson.

The water will be shut off at your residence beginning at 9:00 a.m. until approximately 3:00 p.m. on Thursday, May 24th. Please draw plenty of water before 9:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
