SUBJECT: **Water Shut-Off on Thursday, May 9th**
City Project No.: 19-01

On Thursday, May 9, 2019 (weather permitting), the City will be repairing the watermain at the intersection of Lake Avenue and 6th Street. This will require a temporary shut down of your water supply.

The shut-off will affect properties on **6th Street (from Johnson Avenue to Lake Avenue), Lake Avenue (from 5th Street to 7th Street), and Manitou Island.**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Thursday, May 9th. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.
