

## 2018 STREET RECONSTRUCTION PROJECT

**TO:** Residents in Project Areas 17-06 and 18-01

**FROM:** Jesse Farrell

**DATE:** May 23, 2018

**SUBJECT: Concrete Driveway on 11<sup>th</sup> Street and 10<sup>th</sup> Street  
City Project No.: 18-01**

---

**Weather permitting**, concrete driveway and apron installation will take place Thursday, May 24<sup>th</sup> on 11<sup>th</sup> Street and 10<sup>th</sup> Street (from Highway 61 to Alley). You will not be able to get in or out of your driveway from when driveway and/or apron is placed approximately 5 days following the driveway placement. Alley driveways and aprons will **NOT** be installed at this time.

Affected residents should have any cars, trucks, boats, etc. that you will need for the next five days out of your driveway and garage. Please park these vehicles on the street outside of the construction zone.

- **After the driveway and/or apron has been placed you will NOT be able to use your driveway for five (5) days after concrete is poured, or until the contractor has ramped your driveway with gravel.**
- **You WILL be able to park in the street during the evenings after 7:00 p.m.**
- **All vehicles parked on the street need to be moved to a side street away from the construction area at the beginning of each workday (7:00 a.m.).**

**SAFETY REMINDER!!** Due to heavy truck traffic and general construction activity, we would ask all parents to inform and make their children aware of the dangers of construction sites and to keep their children a safe distance from all construction areas. Your support and cooperation in assisting us to maintain a safe work zone and cautioning children about the dangers of construction sites will be appreciated.

If you have any questions, please contact our office at (651) 429-8531.
