## 2019 STREET RECONSTRUCTION PROJECT

**TO:** Residents in Project Area 19-01  
**FROM:** Nate Christensen, Civil Engineer  
**DATE:** May 9, 2019  
**SUBJECT:** **Rescheduled Water Shut-Off on Friday, May 10th**  
**City Project No.: 19-01**

---

Due to wet soil conditions, the watermain repair at the intersection of Lake Avenue and 6<sup>th</sup> Street was rescheduled for **Friday, May 10, 2019** (weather permitting). This will require a temporary shut down of your water supply.

The shut-off will affect properties on **6<sup>th</sup> Street (from Johnson Avenue to Lake Avenue), Lake Avenue (from 5<sup>th</sup> Street to 7<sup>th</sup> Street), and Manitou Island.**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Friday, May 10th. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
