## **2018 STREET RECONSTRUCTION PROJECT**

**TO:** Residents in Project Area 17-06 and Cottage Park  
**FROM:** Jesse Farrell  
**DATE:** May 22, 2018  
**SUBJECT:** **Overnight Work - Tonight**

---

**There will be construction activity on Old White Bear Avenue  
tonight between 11:30 pm and 6:00 am.**

This is an unavoidable, time and weather sensitive operation that must be completed in order to put the new sanitary sewer forcemain into service. The overnight work is a specific requirement so that the Contractor can complete the connections at a point in time when most people are sleeping and not using their toilets, etc.

There will be loud noise including large pumps, heavy equipment operations and backup beepers.

We apologize in advance for the noise and disruption to your sleep, and we thank you for your patience.

If you have any questions, please contact our office at (651) 429-8531.
