

WHITE BEAR LAKE *a City of Lakes & Legends*

MINNESOTA

2018 STREET RECONSTRUCTION PROJECT

TO: Residents in Project Area 18-01

FROM: Dan Holzemer, Senior Engineering Technician

DATE: May 25, 2018

SUBJECT: **Incomplete Concrete Driveways**
City Project No.: 18-01

As you know, a number of concrete driveway installations were not finished as planned on Thursday, May 24th. The contractor should return the week of June 4th to finish the concrete driveways that were not completed. When we have a definite return date for the concrete contractor, we will notify you to have any cars, trucks, boats, etc. removed from your driveway and garage.

The sidewalk installation was complete and will need five days to cure. The contractor will ramp your driveway with gravel on Tuesday, May 29th.

If you have any questions, please contact our office at (651) 429-8531.

Enjoy your Memorial Day Weekend!
