

WHITE BEAR LAKE *a City of Lakes & Legends*
MINNESOTA

2018 STREET RECONSTRUCTION PROJECT

TO: Residents in Project Area 18-01

FROM: Nate Christensen, Engineering Technician III

DATE: May 29, 2018

SUBJECT: **Periodic Water Shut-Offs on Wednesday, May 30th and Thursday, May 31st**
City Project Nos.: 18-01

On Wednesday, May 30, 2018 and Thursday, May 31st (weather permitting), the City will be connecting your water service to the new watermain on 9th Street. This will require a temporary one to two hour shut down of your water supply.

The shut-off will affect properties on 9th Street from Johnson Avenue to Lake Avenue.

The work will be beginning at 7:00 a.m. until approximately 5:00 p.m. As a courtesy reminder, the contractor will knock on your door to let you know that they will be beginning work on your connection.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
