

WHITE BEAR LAKE *a City of Lakes & Legends*

MINNESOTA

2021 PAVEMENT REHABILITATION PROJECT

TO: Residents on Alley between Cook Avenue and Stewart Avenue, 6th Street and 7th Street

FROM: Dan Holzemer, Senior Engineering Technician

DATE: June 17, 2021

SUBJECT: **Alley Closed at 6th Street**
City Project No.: 21-13

Starting today, **Alley at 6th Street** will be closed due to valley gutter installation. Please use alternative routes. This intersection will be **closed** for five days until after the concrete is cured.

In order to complete the construction project in the most efficient manner, it is important that the Contractor have as few obstructions as possible. Please **DO NOT park your vehicles on streets under construction during working hours (7AM to 7PM or until work ceases for the day)**. If a vehicle is on the street in the construction zone during working hours and is impeding the construction, the Engineering Department will take further action and tow the vehicle.

Also, please **DO NOT walk through the active construction site during working hours**. The Contractor is trying to move as quickly as possible through the construction process and any non-work related pedestrian traffic can cause delays and safety issues.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
