DATE: May 14, 2019
SUBJECT: **Water Shut-Off on Thursday, May 16th**
City Project No.: 19-01

On Thursday, May 16, 2019 (weather permitting), the City will be repairing watermain on 7th Street. This will require a temporary shut down of your water supply.

The shut-off will affect properties on **7th Street (from Morehead Avenue to Johnson Avenue)** and **Morehead Avenue (6th Street to 8th Street)**.

Plan for the water to be shut off at your residence beginning at 12:00 p.m. until approximately 4:00 p.m. on Thursday, May 16th. Please draw plenty of water before 12:00 p.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
