**TO:** Residents in Project Area 19-01  
**FROM:** Nate Christensen, Civil Engineer  
**DATE:** May 16, 2019  
**SUBJECT:** **Water Shut-Off on Friday, May 17th**  
**City Project No.: 19-01**

---

On Friday, May 17, 2019 (weather permitting), the City will be installing new watermain on Morehead Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on **6<sup>th</sup> Street (from Stewart Avenue to Johnson Avenue)** and **Morehead Avenue (from 6<sup>th</sup> Street to 7<sup>th</sup> Street)**.

Plan for the water to be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Friday, May 17th. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.
