SUBJECT: Spot Removal of Curb & Gutter
City Project No.: 20-13

Weather permitting, marked areas of curb and gutter will be removed, starting tomorrow **Tuesday, July 7th** and continuing throughout this week. If curb is removed in front of your driveway, the area will be filled with gravel, and you will be able to get in or out of your driveway.

Please take time to mark any private irrigation systems, dog fences, etc. that are near and curb marked for removal. (Pink Arrows painted on the curb.) These are private utilities within the City right of way. You are responsible for these utilities. If damage occurs to these facilities, it is **YOUR** responsibility. The City's contractor will try to avoid damaging these private utilities, if marked by the homeowner. Please mark these to avoid damage.

SAFETY REMINDER!! Due to heavy truck traffic and general construction activity, we would ask all parents to inform and make their children aware of the dangers of construction sites and to keep their children a safe distance from all construction areas. Your support and cooperation in assisting us to maintain a safe work zone and cautioning children about the dangers of construction sites will be appreciated.

If you have any questions, please contact our office at (651) 429-8531.
