

# WHITE BEAR LAKE *a City of Lakes & Legends*

MINNESOTA

## 2019 STREET RECONSTRUCTION PROJECT

**TO:** Residents in Project Area 19-01

**FROM:** Nate Christensen, Civil Engineer

**DATE:** May 24, 2019

**SUBJECT: Construction Update**  
**City Project Nos.: 19-01**

---

Forest Lake Contracting continues to make excellent progress.

Utility work is nearing completion. So far, the contractor has continued installing new storm sewer, replaced deteriorated sanitary sewer access structures, and installed new watermain where needed. If the weather cooperates, all utility work will be completed next week. Tuesday, the contractor plans to replace all old sanitary sewer access structures on Morehead Avenue. To complete this work, **Morehead Avenue (from 4<sup>th</sup> Street to 7<sup>th</sup> Street) will be closed on Tuesday, May 28.**

Curb and gutter installation is scheduled for the week of June 3<sup>rd</sup>. Please pay special attention to the flyers that will be distributed in advance of this installation. Do not drive your vehicle over concrete that is less than 5 days old.

PSC, Xcel Energy's contractor, has begun installing new gas mains. In the next couple of weeks, they will install new services and connect homes to the new mains. PSC will leave a flyer in your door to schedule this work.

The contractor is spending some additional time today cleaning up the site for the holiday weekend. However, the site is still an active construction zone – please be careful driving through the site, and please advise any visitors to use extra caution in your neighborhood.

All timelines are subject to change due to weather conditions. If you have any questions or special requests, please contact our office at 651-429-8531. Thank you for your patience!

### **\*\*Garbage and Recycling\*\***

Your garbage and recycling will be picked up as scheduled. Please continue to have your garbage and recycling curbside by 6:00 AM on your regularly scheduled pickup day. If the construction is too heavy in your neighborhood on your regularly scheduled pick-up day, Republic will come back the following day to pick up your garbage and recycling. Please report any missed pickups to: Utility Billing Clerk at (651) 429-8565.

Hydrant replacement at 6<sup>th</sup> Street and Johnson Avenue

Storm sewer installation at 6<sup>th</sup> Street and Johnson Avenue
