**SUBJECT:** **Water Shut-Off on Wednesday, May 6**  
**City Project No.: 20-13**

---

On Wednesday, May 6th (weather permitting), the City will be replacing a fire hydrant on Elm Street. This will require a temporary shutdown of your water supply.

**The shut-off will affect properties on Elm Street (from Willow Avenue to Midland Court).**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Wednesday, May 6th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
