**City Project No.: 19-04**

---

On Thursday, May 16, 2019 (weather permitting), the City will be repairing the hydrant on Sumac Court. This will require a temporary shut down of your water supply.

The shut-off will affect properties on Sumac Court and Aspen Court.

The water will be shut off at your residence beginning at 9:00 a.m. until approximately 3:00 p.m. on Thursday, May 16th. Please draw plenty of water before 9:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
