

2020 STREET RECONSTRUCTION PROJECT

TO: Residents in Project Area 20-01

FROM: Jay Stejskal, Engineering Technician III

DATE: July 27th, 2020

SUBJECT: **Circle Drive Closed at Cottage Park Road (North Side)**
City Project No.: 20-01

Starting today, **Circle Drive at Cottage Park Road** will be closed due to valley gutter installation. Please use alternative routes. This intersection will be **closed** until **Monday, August 3rd** after the concrete is cured.

In order to complete the construction project in the most efficient manner, it is important that the Contractor have as few obstructions as possible. Please **DO NOT park your vehicles on streets under construction during working hours (7AM to 7PM or until work ceases for the day)**. If a vehicle is on the street in the construction zone during working hours and is impeding the construction, the Engineering Department will take further action and tow the vehicle.

Also, please **DO NOT walk through the active construction site during working hours**. The Contractor is trying to move as quickly as possible through the construction process and any non-work related pedestrian traffic can cause delays and safety issues.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
