SUBJECT: **Water Shut-Off on Wednesday, May 29th**
City Project No.: 19-01

On Wednesday, May 29, 2019 (weather permitting), the City will be replacing a hydrant at Johnson Avenue and 7th Street. This will require a temporary shut down of your water supply.

The shut-off will affect properties on **Johnson Avenue (from 6th Street to 7th Street)**.

Plan for the water to be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Wednesday, May 29th. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
