SUBJECT: Saturday Alley Construction
City Project No. 22-01

On Saturday, June 18, 2022 (weather permitting), the Contractor will be removing the old pavement and grading the alley. We anticipate the work will be taking place from 9:00 a.m. to 5:00 p.m. Saturday work is not common, so we will always notify you of this in advance.

In order to complete the construction project in the most efficient manner, it is important that the Contractor have as few obstructions as possible. **There will be limited access and intermittent closures throughout the day.**

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
