SUBJECT: **Water Shut-Off on Friday, May 31st**
City Project No.: 19-01

On Friday, May 31, 2019 (weather permitting), the City will be repairing a watermain at 5th Street and Stewart Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on **5th Street (from Stewart Avenue to Johnson Avenue)** and **Stewart Avenue (from 5th Street to 6th Street)**.

Plan for the water to be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Friday, May 31st. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.
