**TO:** Residents in Project Area 19-01  
**FROM:** Nate Christensen, Civil Engineer  
**DATE:** May 31, 2019  
**SUBJECT:** **Water Shut-Off on Monday, June 3**  
**City Project No.: 19-01**

---

On Monday, June 3, 2019 (weather permitting), the City will be repairing a watermain at 4<sup>th</sup> Street and Stewart Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on **4<sup>th</sup> Street (from Cook Avenue to Johnson Avenue)** and **Stewart Avenue (from 3<sup>rd</sup> Street to 5<sup>th</sup> Street)**.

Plan for the water to be shut off at your residence beginning at 8:00 a.m. until approximately 1:00 p.m. on Monday, June 3rd. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
