

2020 MILL & OVERLAY PROJECT

TO: Residents in Project Area 20-13
(5th Street, Dillon Street & Woodcrest Road)

FROM: Dan Holzemer, Senior Engineering Technician

DATE: July 13, 2020

SUBJECT: Spot Replacement of Curb & Gutter
City Project No.: 20-13

Curb was removed in front of your driveway. **Weather permitting**, curb and gutter will be replaced on **Tuesday, July 14th**. You will not be able to get in or out of your driveway from when curb is placed until the contractor has ramped your driveway with gravel, which is approximately 5 days following the curb placement.

Affected residents should have any cars, trucks, boats, etc. that you will need for the next five days out of your driveway and garage. Please park these vehicles on the street outside of the construction zone.

- **After the curb and gutter has been placed you will NOT be able to drive over it for five (5) days after concrete is poured.**
- **If your driveway access is restricted, you WILL be able to park in the street during the evenings after 7:00 p.m., taking extreme care not to hit the newly placed curb.**
- **All vehicles parked on the street need to be moved to a side street away from the construction area at the beginning of each workday (7:00 a.m.).**

SAFETY REMINDER!! Due to heavy truck traffic and general construction activity, we would ask all parents to inform and make their children aware of the dangers of construction sites and to keep their children a safe distance from all construction areas. Your support and cooperation in assisting us to maintain a safe work zone and cautioning children about the dangers of construction sites will be appreciated.

If you have any questions, please contact our office at (651) 429-8531.
