2021 PAVEMENT REHABILITATION PROJECT

TO: Residents on Lakehill Circle

FROM: Dan Holzemer, Senior Engineering Technician

DATE: July 21, 2021

SUBJECT: Paving First Lift of Bituminous
City Project No.: 21-13

WEATHER PERMITTING, on **Thursday, July 22nd**, the contractor will begin paving the first lift of bituminous pavement on Lakehill Circle from County Road F to the end cul-de-sac.

Please be aware that you will not be able to park **on the street**, in the project area from **7:00am until 7:00pm**. We apologize for any inconvenience. You will have access to your driveway.

You will be able to drive on the paved portion of the road for after they have finished rolling the newly paved roads. **WE ASK THAT YOU TAKE EXTREME CARE NOT TO MAKE SHARP TURNS ON THE NEW BITUMINOUS PAVEMENT.**

- **WARNING**

New asphalt is very hot (**approximately 300°F**) when placed. Parents should keep children and pets from walking or riding bikes on the new pavement until it cools. Please talk to your children and explain about the paving and that they should stay a safe distance from the construction equipment.

- **SAFETY**

Due to the heavy traffic and general construction activity, we ask all parents to inform and make their children aware of the dangers of the construction sites. Please keep children a safe distance from all construction areas.

If you have any special requests, please contact our office at 651-429-8531 or direct any project-related questions to City staff on site.
