**TO:** Residents in Project Area 18-01

**FROM:** Nate Christensen, Project Engineer

**DATE:** June 15, 2018

**SUBJECT:** **Water Shut-Off on Monday, June 18th**  
**City Project Nos.: 18-01**

---

On Monday, June 18th, 2018 (weather permitting), the City will be installing a new fire hydrant on Morehead Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on Morehead Avenue (between 6<sup>th</sup> and 10<sup>th</sup> Street).

The water will be shut off at your residence beginning at 9:00 a.m. until approximately 3:00 p.m. on Monday, June 18th. Please draw plenty of water before 9:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
