**City Project No. 24-01**

---

On Wednesday, April 24th (weather permitting), the City will be replacing gate valves near 2<sup>nd</sup> Street and Krech Avenue. This will require a temporary shutdown of your water supply.

The shut-off will affect **3<sup>rd</sup> Street (from cul-de-sac to Wood Avenue), 2<sup>nd</sup> Street (from cul-de-sac to Wood Avenue) and Krech Avenue (from Birch Lake Avenue to 4<sup>th</sup> Street).**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 4:00 p.m. on Wednesday, April 24th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
