

WHITE BEAR LAKE *a City of Lakes & Legends*
MINNESOTA

2018 STREET RECONSTRUCTION PROJECT

TO: Residents in Project Area 18-01
FROM: Nate Christensen, Project Engineer
DATE: June 18, 2018
SUBJECT: **Water Shut-Off on Tuesday, June 19th**
City Project Nos.: 18-01

On Tuesday, June 19th, 2018 (weather permitting), the City will be installing a new fire hydrant on Morehead Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on Morehead Avenue (between 6th and 10th Street).

The water will be shut off at your residence beginning at 9:00 a.m. until approximately 3:00 p.m. on Tuesday, June 19th. Please draw plenty of water before 9:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
