

## 2019 STREET RECONSTRUCTION PROJECT

**TO:** Residents in Project Area 19-01  
**FROM:** Nate Christensen, Civil Engineer  
**DATE:** July 22, 2019  
**SUBJECT:** **Final Lift of Bituminous Pavement**  
**City Project No.: 19-01**

---

Weather permitting, the contractor will begin paving the final lift of bituminous on all streets and alleys on **Tuesday, July 23<sup>rd</sup>** and will finish whatever remains on **Thursday, July 25<sup>th</sup>**.

Please be aware that you will not be able to park on your streets and alleys from **7:00am until 7:00pm**. Please ensure that you have all vehicles that you will need on a side street during these hours. We apologize for any inconvenience.

**You will not be able to drive on the paved portion of the road for at least two hours or until they have finished rolling the newly paved roads. WE ASK THAT YOU TAKE EXTREME CARE NOT TO MAKE SHARP TURNS ON THE NEW BITUMINOUS PAVEMENT.**

- **WARNING**

New asphalt is very hot (**approximately 300°F**) when placed. Parents should keep children and pets from walking or riding bikes on the new pavement until it cools. Please talk to your children and explain about the paving and that they should stay a safe distance from the construction equipment.

- **SAFETY**

Due to the heavy traffic and general construction activity, we ask all parents to inform and make their children aware of the dangers of the construction sites. Please keep children a safe distance from all construction areas.

- **TRASH**

We are aware it is garbage pick-up day tomorrow. Please make sure to have your garbage and recycling out at the curb by 6:00 am. We have notified Republic Services that the neighborhood will have heavy construction and they need to pick-up first thing in the morning.

If you have any special requests, please contact our office at 651-429-8531 or direct any project-related questions to City staff on site.
