FROM: Nate Christensen, Civil Engineer
DATE: April 22, 2019
SUBJECT: RESCHEDULED Water Shut-Off on Tuesday, April 23rd
City Project No.: 19-01

Due to rain and thunderstorms on Monday, the watermain repair at the intersection of Johnson Avenue and 4th Street was rescheduled for **Tuesday, April 23rd** (weather permitting). This will require a temporary shut down of your water supply.

The shut-off will affect properties on 4th Street and Johnson Avenue.

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Tuesday, April 23rd. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
