SUBJECT: **Water Shut-Off on Tuesday, May 12th**
City Project No.: 20-01

On Tuesday, May 12th (weather permitting), the City will be installing two new fire hydrants. This will require a temporary shutdown of your water supply.

The shut-off will affect **all properties on Circle Drive and Cottage Park Road from 4300 to 4395.**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 5:00 p.m. on Tuesday, May 12th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
