SUBJECT: **Water Shut-Off on Monday, May 4**
City Project Nos.: 20-06

On Monday, May 4th (weather permitting), the City will be installing a new fire hydrant on Bellaire Avenue. This will require a temporary shutdown of your water supply.

The shut-off will affect properties on Bellaire Avenue from Elm Drive and County Road E.

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Monday, May 4th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
