2020 MILL & OVERLAY PROJECT

TO: Residents in Project Area 20-13
FROM: Dan Holzemer, Senior Engineering Technician
DATE: May 6, 2020
SUBJECT: **Water Shut-Off on Wednesday, May 6 (TODAY)**
City Project No.: 20-13

TONIGHT (weather permitting), the City will be replacing a fire hydrant on Elm Street. This will require a temporary shutdown of your water supply.

The shut-off will affect properties on Elm Street (from Midland Court to Jerry Street).

The water will be shut off at your residence beginning at 5:00 p.m. until approximately 9:00 p.m. on Wednesday, May 6th. Please draw any water before 5:00 p.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
