SUBJECT: **Water Shut-Off on Monday, May 20th**
City Project No.: 19-13

On Monday, May 20, 2019 (weather permitting), the City will be repairing watermain at the intersection of 10th Street and Wood Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on 10th Street and Wood Avenue.

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Monday, May 20th. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
