

WHITE BEAR LAKE *a City of Lakes & Legends*

MINNESOTA

2020 MILL & OVERLAY PROJECT

TO: Residents in Project 20-13
Orchard Circle

FROM: Dan Holzemer, Senior Engineering Technician

DATE: September 1, 2020

SUBJECT: Construction Schedule Update
City Project No.: 20-13

Orchard Circle Residents,

Thank you for your patience. As you can tell the street contractor's schedule is a moving target. Starting tomorrow, North Valley Incorporated plans the following:

- Wednesday, September 2, 2020: Fix soft spots
- Thursday or Friday, September 3 or 4, 2020: Place final lift of bituminous

We ask you not to park on Orchard Circle during this week, from **7:00am until 7:00pm**. Please ensure that you have all vehicles that you will need on a side street during these hours. We apologize for any inconvenience.

Weather permitting, the contractor will be paving the final lift of bituminous on Orchard Circle on **Thursday or Friday, September 3rd or 4th**.

You will not be able to drive on the paved portion of the road for at least two hours or until they have finished rolling the newly paved roads. WE ASK THAT YOU TAKE EXTREME CARE NOT TO MAKE SHARP TURNS ON THE NEW BITUMINOUS PAVEMENT.

- **WARNING**

New asphalt is very hot (**approximately 300°F**) when placed. Parents should keep children and pets from walking or riding bikes on the new pavement until it cools. Please talk to your children and explain about the paving and that they should stay a safe distance from the construction equipment.

- **SAFETY**

Due to the heavy traffic and general construction activity, we ask all parents to inform and make their children aware of the dangers of the construction sites. Please keep children a safe distance from all construction areas.

If you have any special requests, please contact our office at 651-429-8531 or direct any project-related questions to City staff on site.
