SUBJECT: **Water Shut-Off on Tuesday, April 23rd**
City Project No.: 19-01

On Tuesday, April 23, 2019 (weather permitting), the City will be repairing watermain at the intersection of Lake Avenue and 5th Street. This will require a temporary shut down of your water supply.

The shut-off will affect properties on 5th Street and Manitou Island.

The water will be shut off at your residence beginning at 12:00 p.m. until approximately 4:00 p.m. on Tuesday, April 23rd. Please draw plenty of water before 12:00 p.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
