---

On Monday, May 20, 2019 (weather permitting), the City will be repairing watermain on 11<sup>th</sup> Street. This will require a temporary shut down of your water supply.

The shut-off will affect properties on 11<sup>th</sup> Street.

The water will be shut off at your residence beginning at 10:00 a.m. until approximately 5:00 p.m. on Monday, May 20th. Please draw plenty of water before 10:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
