SUBJECT: **Water Shut-Off on Wednesday, May 13th**
City Project No.: 20-01

On Wednesday, May 13th (weather permitting), the City will be installing a new fire hydrant. This will require a temporary shutdown of your water supply.

The shut-off will affect **all properties on Lakeview Avenue.**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Wednesday, May 13th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
