**City Project No. 24-01**

---

On Thursday, April 25th (weather permitting), the City will be replacing a hydrant and gate valves on 3rd Street. This will require a temporary shutdown of your water supply.

The shut-off will affect **3<sup>rd</sup> Street (from cul-de-sac to Wood Avenue), 2<sup>nd</sup> Street (from cul-de-sac to Krech Avenue), Krech Avenue (from 3<sup>rd</sup> Street to 4<sup>th</sup> Street) and select houses on Wood Avenue (north of 2<sup>nd</sup> Street).**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 4:00 p.m. on Thursday, April 25th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
