

WHITE BEAR LAKE *a City of Lakes & Legends*
MINNESOTA

2018 STREET RECONSTRUCTION PROJECT

TO: Residents in Project Area 18-01
FROM: Nate Christensen
DATE: May 11, 2018
SUBJECT: Utility Work
City Project Nos.: 18-01

On **Monday, May 14th**, the utility crews will be working on 11th Street from Morehead Avenue to Johnson Avenue and Morehead Avenue from 11th Street to Hwy 96. This work will be ongoing throughout the day. The construction equipment and gravel piles may eliminate access to the driveways for most of the day. As will be the case during the entire construction season, work schedules are dependent upon weather. Morehead Avenue from Hwy 96 to Dr. Crandall & Associates office shall remain open for business.

Affected residents should have any cars, trucks, boats, etc. that you will need between 7:00 a.m. and 9:00 p.m. out of your driveway and garage. **Please park these vehicles outside the construction zone.** Once work has ceased for the day, you may again access your driveways and/or park on the street.

If you need assistance, please contact our office at 651-429-8531 and we will do our best to accommodate these needs.

Thank you for your patience and understanding.
