**TO:** Residents in Project Area 19-01  
**FROM:** Nate Christensen, Civil Engineer  
**DATE:** April 24, 2019  
**SUBJECT:** **Water Shut-Off on Thursday, April 25th**  
**City Project No.: 19-01**

---

On Thursday, April 25, 2019 (weather permitting), the City will be repairing watermain at the intersection of Johnson Avenue and 5<sup>th</sup> Street. This will require a temporary shut down of your water supply.

The shut-off will affect properties on 5<sup>th</sup> Street (from Stewart Avenue to Johnson Avenue) and Johnson Avenue (from 4<sup>th</sup> Street to 6<sup>th</sup> Street)

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Thursday, April 25th. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.
