MINNESOTA

## 2018 STREET RECONSTRUCTION PROJECT

**TO:** Residents on Birch Lake Boulevard South  
**FROM:** Nate Christensen, Project Engineer  
**DATE:** September 7, 2018  
**SUBJECT:** **Final Lift of Bituminous Pavement**  
**City Project No.: 18-06**

---

Weather permitting, Forest Lake Contracting will be paving the final lift of bituminous on Birch Lake Boulevard South on **Monday, September 10<sup>th</sup>**.

Please be aware that you will not be able to park on your streets from **7:00am until 7:00pm and during that time, you will have limited access to your driveways.** Please ensure that you have all vehicles that you will need on a side street during these hours. We apologize for any inconvenience.

**You will not be able to drive on the paved portion of the road for at least two hours or until they have finished rolling the newly paved roads. WE ASK THAT YOU TAKE EXTREME CARE NOT TO MAKE SHARP TURNS ON THE NEW BITUMINOUS PAVEMENT.**

- **WARNING**

New asphalt is very hot (**approximately 300°F**) when placed. Parents should keep children and pets from walking or riding bikes on the new pavement until it cools. Please talk to your children and explain about the paving and that they should stay a safe distance from the construction equipment.

- **SAFETY**

Due to the heavy traffic and general construction activity, we ask all parents to inform and make their children aware of the dangers of the construction sites. Please keep children a safe distance from all construction areas.

If you have any special requests, please contact our office at 651-429-8531 or direct any project-related questions to City staff on site.
