

WHITE BEAR LAKE *a City of Lakes & Legends*
MINNESOTA

2018 STREET RECONSTRUCTION PROJECT

TO: Residents on Johnson Avenue
FROM: Nate Christensen, Project Engineer
DATE: September 7, 2018
**SUBJECT: Final Lift of Bituminous
City Project Nos.: 18-01**

Weather permitting, Forest Lake Contracting will be milling and paving Johnson Avenue north of 11th Street on **Monday, September 10th**.

Please be aware that you will not be able to park on your streets and alleys from **7:00am until 7:00pm**. Please ensure that you have all vehicles that you will need on a side street during these hours. We apologize for any inconvenience.

WE ASK THAT YOU TAKE EXTREME CARE NOT TO MAKE SHARP TURNS ON THE NEW BITUMINOUS PAVEMENT.

- **WARNING**

New asphalt is very hot (**approximately 300°F**) when placed. Parents should keep children and pets from walking or riding bikes on the new pavement until it cools. Please talk to your children and explain about the paving and that they should stay a safe distance from the construction equipment.

- **SAFETY**

Due to the heavy traffic and general construction activity, we ask all parents to inform and make their children aware of the dangers of the construction sites. Please keep children a safe distance from all construction areas.

If you have any special requests, please contact our office at 651-429-8531 or direct any project-related questions to City staff on site.
