

2020 STREET RECONSTRUCTION PROJECT

TO: Residents in Project Area 20-01
FROM: Jay Stejskal, Engineering Technician III
DATE: May 21, 2020
SUBJECT: Cottage Park Road Closed
City Project No.: 20-01

On **Friday, May 22nd**, **Cottage Park Road** will be closed between **4320 Cottage Park Road to 4340 Cottage Park Road** due to continued earthwork. As will be the case during the entire construction season, work schedules are dependent upon weather. This portion of Cottage Park Road will be **closed** from 7 AM to 7 PM on Friday, May 22nd. Please have all vehicles needed for the day out of your driveway and garage by **7 AM**.

In order to complete the construction project in the most efficient manner, it is important that the Contractor have as few obstructions as possible. Please **DO NOT park your vehicles on Cottage Park Road during working hours (7AM to 7PM or until work ceases for the day)**. If a vehicle is on the street in the construction zone during working hours and is impeding the construction, the Engineering Department will take further action and tow the vehicle.

Also, please **DO NOT walk through the active construction site during working hours**. The Contractor is trying to move as quickly as possible through the construction process and any non-work related pedestrian traffic can cause delays and safety issues.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
