2018 STREET RECONSTRUCTION PROJECT

TO: Residents in Project Area 18-01
FROM: Nate Christensen, Engineering Technician III
DATE: May 16, 2018
SUBJECT: **Water Shut-Off to begin Thursday, May 17th**
City Project Nos.: 18-01

On Thursday, May 17, 2018 (weather permitting), the City will be installing a new watermain on Johnson Avenue. This will require a temporary shut down of your water supply.

The shut-off will affect properties on Johnson Avenue from 8th Street to 10th Street.

The water will be shut off at your residence beginning at 9:00 a.m. until approximately 3:00 p.m. on Thursday, May 17th. Please draw plenty of water before 9:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
