

WHITE BEAR LAKE *a City of Lakes & Legends*

MINNESOTA

2021 PAVEMENT REHABILITATION PROJECT

TO: Residents on 6th Street and Alley

FROM: Dan Holzemer, Senior Engineering Technician

DATE: June 7, 2021

SUBJECT: Road & Alley Closed
City Project No.: 21-13

On Tuesday, June 8th (weather permitting), the City may begin installing a new storm sewer on 6th Street (between Cook Avenue and Stewart Avenue) and the Alley (between 6th Street and 7th Street). Residents that have driveway access on 6th Street and this Alley will have limited access to their driveways between 7 AM to 7 PM. Please have all vehicles needed for the day out of your driveway and garage by 7 AM.

In order to complete the construction project in the most efficient manner, it is important that the Contractor have as few obstructions as possible. Please **DO NOT park your vehicles on 6th Street or the Alley during working hours (7AM to 7PM or until work ceases for the day)**. If a vehicle is on the street in the construction zone during working hours and is impeding the construction, the Engineering Department will take further action and tow the vehicle.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
