SUBJECT: **Water Shut Off on Wednesday, May 1st**
City Project No. 24-01

On Wednesday, May 1st (weather permitting), the City will be replacing a hydrant and gate valves on 3rd Street and Campbell Avenue. This will require a temporary shutdown of your water supply.

The shut-off will affect **3rd Street (from Campbell Avenue to Bald Eagle Avenue), Campbell Avenue (from Birch Lake Avenue to 4th Street), and Bald Eagle Avenue (from Birch Lake Avenue to 3rd Street).**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 4:00 p.m. on Wednesday, May 1st. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
