TO: Residents in Project Area 19-01
FROM: Nate Christensen, Civil Engineer
DATE: May 6, 2019
SUBJECT: **Water Shut-Off on Tuesday, May 7th**
City Project No.: 19-01

On Tuesday, May 7, 2019 (weather permitting), the City will be repairing the watermain at the intersection of Johnson Avenue and 6th Street. This will require a temporary shut down of your water supply.

The shut-off will affect properties on **Johnson Avenue (from 5th Street to 7th Street), 5th Street (from Johnson Avenue to Lake Avenue), 6th Street (from Morehead Avenue to Lake Avenue), 7th Street (from Johnson Avenue to Lake Avenue) and Manitou Island.**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Tuesday, May 7th. Please draw plenty of water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
