

White Bear Lake Residential Trash Cart Exchange Questions and Answers

Why are the Troje trash carts being exchanged now?

Per a Ramsey County Solid Waste ordinance, the Troje trash carts do not meet ordinance requirements. Republic Services trash cart exchanges fulfill the requirement.

When are the Troje carts being exchanged?

Starting the week of April 17, Troje-branded trash carts will be exchanged for Republic Services trash carts. This is a large project that will take multiple weeks to complete. If you have a Troje trash cart, please have it out at the curb by 6 a.m. and leave it out until 5 p.m. on your service day until your trash cart is exchanged.

Why are only the Troje trash carts being exchanged, not the recycling carts?

The Ramsey County ordinance does not apply to recycling carts. Republic Services is a leader in sustainability and is committed to being environmentally responsible. We will continue to exchange broken and damaged recycling carts. If your cart is broken or damaged, please reach out to WhiteBearLake@RepublicServices.com or by phone at **320.252.9608**.

If you have any questions, please call us at **320.252.9608**, or email our local team at WhiteBearLake@RepublicServices.com.
