Line 1																					
Line 2																					
Line 3																					
Line 4																					
Line 5																					

****Shaded areas show spaces which may not be used****

In order to ensure that an inscription will fit onto the plaque, please note the following information:

1. The name uses a larger typeface than the remainder of the inscription therefore it may not exceed more than 15 letters and/or spaces per line. This is indicated by the dotted line in the guide box. The name lines should be kept to the top two lines if possible

2. The fixing holes are located where the blacked out boxes are on line 3. These boxes cannot be used. This line is recommended for the dates.

3. The lower two lines (number 4 and 5) can have up to 20 smaller letters and/or spaces.

4. **Do not forget to include spaces in your inscription.** A space counts as a letter or number.

5. We will center the text on the tablet, this guide box is only to aid your choice of inscription.

6. The inscription **must** be clearly written in block capitals. **We are unable to accept responsibility for an incorrect inscription due to illegible or ambiguous writing.**
